“Recognised Sponsor” application form

Thank you for your interest in becoming an official sponsor of Wells in Mosaic (WiM) via our “Recognised Sponsor” option. We need to formalise this agreement so we can have your stone carved and placed into storage until the mosaic is completed and installed. The process is as follows:

1. *This sponsorship application is completed and returned to WiM*
2. *WiM will discuss with our stone mason and forward a draft design to you for sign-off*
3. *Once the draft is signed-off by both parties, you will make your sponsorship payment(s) as agreed overleaf*
4. *When payment is received, our stone mason will create your stone*
5. *We will notify you when the stone is completed and we will place your stone into storage until installation*

Please now complete the three steps overleaf. The notes below are to help you

Further details about the stone designs:

- *You may have text or a company logo (with or without text) or a combination of the two*
- *Where logos are used in isolation, the overall size is limited to 50% of the stone size, although this depends on the logo design itself*
- *To keep within the mosaic aesthetics, all text will be in ‘Herculanum’ font as shown. The exception is text that is an integral part of your official logo*
- *The text size, line & character limits shown are a guide. We can be flexible but as the stones are hand-carved, more detailed designs are obviously more costly to produce*
- *Stones will ultimately form part of the border around the mosaic. We may be able to place stones in particular positions relative to the mosaic, so if you have a preference for your stone please note it on the design. However, we cannot guarantee to fulfil such requests.*

Further details about sponsorship payments:

- *You may donate as much or as little as you wish, within the sponsorship limits shown*
 - *Donations can be made with a single payment or split into a max. of three equal payments on an agreed timescale.*
 - *If payments are split, the stone will be carved after the second payment has been made*
 - *Payment can be made:*
 - *via BACs: Wells in Mosaic 22187668 30-99-50*
 - *via Paypal: either [paypal.me/wellsinmosaic](https://www.paypal.com/merchot/?x=1&from=www&source=merchot) or using our email in Paypal - contact@wellsinmosaic.org*
 - *via cheque: made payable to Wells in Mosaic and sent to the address at the top of this form*
- Please use the reference number shown at the top of this form as your payment reference***

Recognised Sponsors will receive an invitation to view their completed stones and attend our artist’s workshop
